Summary:

The primary mission of the Daughters of the King is to provide confidential prayers for all who ask. We can be contacted three ways: give a request to any Daughter, fill out a pew slip with your request and place it in the alms basin, or send an e-mail to our prayer mailbox at prayerrequestsduk@hotmail.com. The Daughters meet once a month on the first Wednesday of the month at 6:30 p.m. Any woman in the parish who is interested in our order is welcome to join us for a meeting to see if our order is something they are called to join.
