

Planned Giving Ministry

Endowment Funds

The Christ Episcopal Church Endowment Fund is very important for funding special parish ministries and needs both now and in the future. At the beginning of 2009, our only true endowment fund was the Irwin Trust. To grow the endowment fund, your Planned Giving Ministry decided to offer Individual Endowment Fund opportunities to increase the church's endowment. We are pleased to report that the Christ Episcopal Church Endowment Fund now includes the following:

- Irwin Trust
- Christ Episcopal Church Thrift Shop Endowment Fund
- Don B. & Helen P. Amsden Endowment Fund
- Ed & Vicki Morris Endowment Fund
- Gerry & Marjorie Rahill Endowment Fund
- Lew Barnum Endowment Fund
- Robert & Karen Ketts Endowment Fund
- Sibley & Susan Ward Endowment Fund

As you probably know, endowment funds are never spent but are invested. The earnings can provide for additional or larger ministries without taking funds from existing ministries. The proceeds can also help with capital or other campaigns that cannot be funded with pledges/donations. So, we hope many more parishioners will open their Individual Endowment Fund in the church's endowment fund.

Legacy Circle

Christ Episcopal Church's Legacy Circle was created to honor those who have included the church in their wills/estate plans. We currently have only a few members but look forward to more individuals and family members stepping forward to remember the church in their wills/estate plans. To that end your Planned Giving Ministry will sponsor several seminars in 2010 to help parishioners understand the many ways to make legacy gifts to the church and thereby become members of our Legacy Circle.

Further Information

Learn more about Individual Endowment Funds and open one for you or your family and/or learn more about Legacy Circle and how to join by clicking on "Planned Giving" at www.christchurchcoronado.org or contact the church office.
