*Ninth Street and C Avenue  
Coronado, California 92118*

*(619) 435-4561*

*The Christ Church Memorial Garden  
is dedicated to the Greater Glory of God  
and to the memories of those  
who have gone before us.*

*It is the final resting place for the  
cremated remains of parishioners,  
their families, and others for whom  
it is appropriate.*

*It is a place of peace and repose for  
all who wish to visit it, and may be used  
in a variety of Parish gatherings, when  
it may be a place of praise, joy,  
conversation and laughter.*

Burial in the garden will be done by the clergy using the Book of Common Prayer. Arrangements should be made with the Rector and the Parish Office. As with all of Christ Church's property, uses of the Memorial Garden will be at the discretion of the Rector and with the approval of the Vestry.

Ashes may be buried in a biodegradable container, or poured directly into the ground. Numbered sites represent specific locations but are not visibly marked. The ashes become a permanent part of the garden, and may not be recovered.

The names and dates of those whose ashes are in the garden will be placed on a memorial plaque located in the Hinde Hall library.

There is a suggested donation of \$500 for reserving a plot and interment, which covers the cost of the burial, engraving a name plate, and ongoing garden maintenance.

The garden was created and is maintained by parishioners with the help of donations. Donations in the memory of a loved one are gratefully accepted.
